

LGBTQ+ COMMUNITY IN BRAZIL

Though an advocate for LGBTQ+ rights in international forums, Brazil still lacks comprehensive protections and privileges within the country.

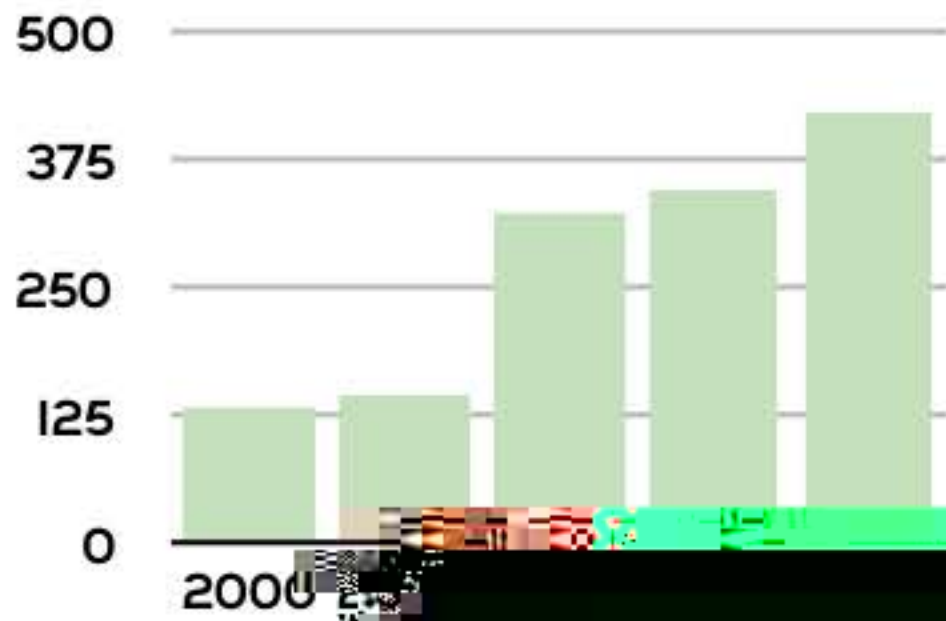

However, less than 10% of the general population identifies as LGBTQ+.

2013

legalization of same-sex marriage

386%

increase in LGBTQ+ candidates in 2018 elections

LGBTQ+ DEATHS (number per year)

35.7%

At least 420 LGBTQ+ people died as victims of homophobia in 2018, but some states are more 'dangerous' than others.

VICTIMS PER MILLION

Acre	8.44
Alagoas	6.81
Bahia	5.74
