

New Approaches to Rescuing Peace in the Democratic Republic of the Congo

by W. Wilson
July 2020

The Democratic Republic of the Congo (DRC) has been the theatre of a long and bloody conflict since 1996. The conflict has resulted in the deaths of over 5 million people, with millions more displaced. The conflict has also resulted in the destruction of infrastructure and the loss of livelihoods for millions of people. The conflict has also resulted in the displacement of over 5 million people, with millions more displaced. The conflict has also resulted in the destruction of infrastructure and the loss of livelihoods for millions of people. The conflict has also resulted in the displacement of over 5 million people, with millions more displaced. The conflict has also resulted in the destruction of infrastructure and the loss of livelihoods for millions of people.

The conflict in the DRC has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed.

The conflict in the DRC has been a result of a combination of factors, including greed, not just greed, but also greed.

The conflict in the DRC has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed. The conflict has been a result of a combination of factors, including greed, not just greed, but also greed.

The conflict in the DRC has been a result of a combination of factors, including greed, not just greed, but also greed.

The Southern Voices Network for Peacebuilding (SVNP) – The SVNP is a network of civil society organizations (CSOs) in the DRC that are working to promote peacebuilding and reconciliation. The SVNP was established in 2011 and has since then been working to promote peacebuilding and reconciliation in the DRC. The SVNP is a network of civil society organizations (CSOs) in the DRC that are working to promote peacebuilding and reconciliation. The SVNP was established in 2011 and has since then been working to promote peacebuilding and reconciliation in the DRC.
